**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I adamantly endorse broadband competition. Our family chose a local service provider because we value our community and want to contribute to a healthy, diverse economy. Sonic has consistently upgraded our service (from DSL to fiber, for instance), providing an excellent product at an affordable price with superior customer service. Don't take that away from us!
